## HEP LIQUID CALCIUM 8%

Chelated Micronutrient For Prevention and Correction of Calcium Deficiency in Crops For Foliar or Soil Application

### GUARANTEED ANALYSIS

Calcium (Ca).....8.00%  
8.00% Chelated Calcium (Ca)  
Derived from calcium glucoheptonate.

**KEEP OUT OF REACH OF CHILDREN**

### CAUTION

See Inside Panel for Additional Precautionary Statements.

SN 0201/1103

### NET CONTENTS:

- 2.5 GALLONS (9.46 LITERS) (Jug)  
NET WEIGHT: 26.5 LBS. (12.02 KG)
- 2 x 2.5 GALLON JUGS (2 x 9.46 LITERS) (Case)  
NET WEIGHT: 53 LBS. (24.09 KG)
- 5 GALLON (18.92 LITERS)  
NET WEIGHT: 53 LBS. (24.09 LITERS)
- BULK \_\_\_\_\_  
NET WEIGHT: \_\_\_\_\_

Information about the components of this lot of fertilizer may be obtained by writing to Helena Chemical Company, 225 Schilling Boulevard, Suite 300, Collierville, TN 38017 and giving the lot number which is found on the container.

### PRECAUTIONARY STATEMENTS

### CAUTION

**BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.**

Avoid contact with formulated product. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling

### GENERAL INFORMATION

TRACITE® HEP LIQUID CALCIUM is a micronutrient compound formulated with a chelating agent derived from the natural organic sugars of glucoheptonic acids. These sugar acids have the capacity to form multi-bond, water-soluble complexes with various metal ions resulting in an exceptionally stable product. The micronutrient stays soluble and mobile, and does not react with soil or fertilizer. TRACITE® HEP LIQUID CALCIUM is non-phytotoxic and is safe to use as foliar or aerial application or in X-O-X fertilizer grades used in drip irrigation. Glucoheptonate is a natural sticking agent making it very effective for foliar application.

### DIRECTIONS FOR USE

TRACITE® HEP LIQUID CALCIUM readily mixes in water and is compatible with most pesticides. It may be added to nitrogen solutions, X-O-X and other mixed liquid fertilizers and it may be impregnated on dry fertilizers. **DO NOT MIX WITH HIGH PHOSPHATE FERTILIZERS SUCH AS 10-34-0.** Due to the variety of chemicals and uses it is advisable to test compatibility before mixing. Mixing sequence: 1) water; 2) TRACITE® HEP LIQUID CALCIUM, 3) pesticide. Use 20 gallons of water per acre for ground spray equipment and at least 5 gallons for aerial application. Agitate thoroughly.

### WHAT TO DO IN CASE OF CONTACT:

**IF SWALLOWED:** Induce vomiting. Immediately call physician.

**IF IN EYES:** Flush eyes with clean water for 15 minutes. Immediately call physician.

**IF ON SKIN:** Remove contaminated clothing and wash skin with soap and water. Call a physician if irritation develops or persists.

**IF INHALED:** Move to fresh air and call a physician if irritation develops or persists.

If there is contact made with the spray solution containing pesticides and/or spray adjuvants, follow the "Statement of Practical Treatment/First Aid" on the product(s) labeling.

**Disclaimer:** Always refer to the label on the product before using Helena or any other product.

### STORAGE AND DISPOSAL

TRACITE® HEP LIQUID CALCIUM 8% is corrosive to aluminum, mild steel and brass. Store and/or ship in polypropylene, fiberglass or stainless steel containers. Use only stainless steel or P.V.C. fittings.

**Storage:** Store in cool place in original container in a locked storage area inaccessible to children, pets or wildlife.

**Container Disposal:** Do not reuse empty containers. Triple rinse thoroughly before discarding in trash.

### GENERAL RECOMMENDATIONS

TRACITE® HEP LIQUID CALCIUM 8% can be used on all crops for the prevention and correction of calcium deficiency.

**SOIL APPLICATION:** Optimum rate of application will vary between fields, depending on soil pH, organic matter content and other factors. Therefore, for best results follow soil test and plant analysis recommendations. In the absence of test results use the following as a guide:

Severe deficiency:	4-6 qts. per acre
Moderate deficiency:	2-4 qts. per acre
Maintenance:	1-2 qts. per acre

### FOLIAR APPLICATION:

**ROW CROPS:** Apply 1-2 qts. per acre per application every 2-3 weeks for maximum of 4 applications.

**VEGETABLE CROPS:** Apply 1-2 qts. per acre per application every 10-14 days for maximum of 1 ½ gals. per acre.

**FRUIT AND NUT TREES:** Apply 2-4 qts. per acre per application beginning when fully leafed out. Repeat 3-4 times for maximum of 2 gals. per acre.

**CITRUS:** Apply 2-4 qts. per acre per application. Repeat 2-3 times.

**COOL & WARM SEASON TURF GRASSES:** Apply up to 6 ozs. per 1,000 sq. ft.

### CONDITIONS OF SALE - LIMITED WARRANTY

### AND LIMITATIONS OF LIABILITY AND REMEDIES

**Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.**

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
