

SPECIMEN LABEL

INDUSTRIAL, NONCROPLAND, ORNAMENTAL, RIGHTS-OF-WAY, TURF, AND OTHERS.

USE RATES:

Use 2 - 4 quarts per 100 gallons.

MIXING GUIDELINES:

Prior to any pesticide or fertilizer application all spray mixing equipment must be cleaned.

Carefully observe all cleaning directions on the pesticide label.

Accuquest® should never be mixed undiluted with any pesticides. To maximize effect of sequestering metal ions, add Accuquest® to the spray solution prior to the addition of pesticides which may be adversely affected by hard water.

IMPORTANT: Always add Accuquest® as the first component of a spray tank mixture before other additives or pesticides. This may be different than the mixing order for conventional drift control additives.

Fill the spray or mix tank one third to one half full of water and begin agitation. Slowly add the recommended amount of Accuquest® and mix until product is completely dissolved.

Continue agitation and filling with water while adding pesticides and/or fertilizers as directed by labeling or in the following sequence:

1. Compatibility agents
2. Dry flowables or water dispersible granules
3. Wettable powders
4. Flowables
5. Water based solutions
6. Emulsifiable concentrates
7. Spray adjuvants
8. Other

Terminology on this label is consistent with definitions approved by Subcommittee E-35.22 on Pesticide Formulations and Application Systems under the jurisdiction of ASTM Subcommittee E-35.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income.

The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, and clothing. Avoid breathing dust or spray mist. Wash thoroughly with soap and water after handling. Do not apply this product in such a manner as to directly expose workers or other persons. In addition, follow precautionary statements on accompanying product(s) label(s).

FIRST AID

If in eyes: Immediately flush eyes with clean water for at least 15 minutes. Call a physician if irritation persists.

If on skin: Remove contaminated clothing and wash skin with soap and water. Call a physician if irritation persists.

If swallowed: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.

If inhaled: Move to fresh air. See a physician if irritation persists.

STORAGE AND DISPOSAL

Store in original container only. Keep packages tightly closed and do not allow water to be introduced to container contents. Do not store this product near heat or open flame. **Container Disposal:** Empty packaging should be offered for recycling or disposal in accordance with Federal, State, and Local authorities. If packaging is burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800- 424-9300.

GENERAL INFORMATION

Accuquest® is a unique blend of polymers, water conditioners, sequestrants, and ammonium salts designed to increase pesticide deposition onto foliage and enhance the performance of pesticides. Accuquest® also contains polymeric sequestrants and chelating agents which tie up hard water cations, thus preventing them from deactivating some herbicides. The forms of ammonia ion in Accuquest® have been recognized as effective enhancers of pesticide uptake by some plant species.

Accuquest® physically modifies the deposition characteristics of the spray solution. As a result of these properties, Accuquest® can improve pesticide spray application and efficacy.

Accuquest® does not contain buffering agents or surfactants and is compatible with sulfonyleurea herbicides. Unlike many drift control agents, Accuquest® is compatible with glyphosate and sulfosate formulations and ionic herbicides such as paraquat.

DIRECTIONS FOR USE

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Accuquest® MAY BE USED WITH PRODUCTS DESIGNED FOR THE FOLLOWING APPLICATIONS: AGRICULTURAL, AQUATIC, FORESTRY,

Disclaimer: Always refer to the label on the product before using Helena or any other product.
