

BREXIL[®]**BREXIL**[®]**10% Zinc****Chelated Soluble Microgranules****GUARANTEED ANALYSIS**

Zinc (Zn) 10.0 %
 10.0 % Water soluble Zinc (Zn)
 Derived from: Zinc Ligninsulphonate

GENERAL INFORMATION

BREXIL Zn, chelated obtained through the reaction of ligninpolycarboxylic acid [LPCA] with Zinc, offers a highly effective, specifically designed product for the treatment and prevention of micronutrient deficiency. **BREXIL Zn** is a complexed micronutrient that is rapidly absorbed and completely water soluble.

This product is recommended as a supplement to a well-balanced fertilizer program only.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.wa.gov/agr/>. Information concerning the raw materials composing the product in this container can be obtained by writing to Nutreco, Inc., at the address below and referring to the lot/batch # on this container.

BREXIL Zn is a Registered Trademark of VALAGRO S.p.A.

GREENHOUSE APPLICATION INSTRUCTIONS
 DO NOT exceed 10 ounces per 25 gallons for greenhouse crops.

DIRECTIONS FOR MIXING

BREXIL Zn is a soluble product to be mixed with water. Select a water volume and corresponding rate of **BREXIL Zn** necessary to thoroughly spray/mist all fruit and foliage surfaces. Gradually add the recommended amount of product to a half-filled spray tank and mix, then add the balance of required water while continuing to agitate the solution.

CLEANING OF SPRAYER

Flush with clean water all parts of the sprayer including the pump, hoses and nozzles several times prior to and after the use of this product.

CONDITIONS OF SALE

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price. It is impossible to eliminate all risks associated with use of this product. Crop injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, presence of other materials, the manner of application, or other factors, all of which are beyond the control of Nutreco or the seller. All such risks shall be assumed by buyer.

WARNING:

This product contains a chemical [or chemicals] known to the State of California to cause cancer birth defects or other reproductive harm.
