COLLIERVILLE, TN 38017

GENERAL INFORMATION

COMBAT PLUS[®] is a specially formulated blend of foam suppressing agents. It is particularly effective in preventing foam problems caused by products containing organosilicone and organosilicone-based surfactants. COMBAT PLUS[®] is also useful in preventing foam that is not controlled by conventional defoaming agents.

DIRECTIONS

Use COMBAT PLUS[®] at one to two ounces per 100 gallons of spray solution. It may be necessary to adjust the amount used according to individual conditions. It is always best to add to tank mixture before pesticides or other adjuvants. This will keep foam from forming. If foam has already formed, add a zig zag pattern over foam. COMBAT PLUS[®] is compatible with most chemical and fertilizer mixtures.

SHAKE WELL BEFORE EACH USE !

THIS PRODUCT SEPARATES RAPIDLY, THEREFORE, IT IS IMPORTANT TO SHAKE CONTAINER WELL BEFORE EACH USE.

IN ORDER TO MAINTAIN THE HIGH PERFORMANCE OF AN ORGANOSILICONE SURFACTANT, IT IS ALWAYS BEST TO USE THE LOWEST RATE OF ANY DEFOAMING OR ANTIFOAMING AGENTS NECESSARY TO CONTROL FOAMING.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or the seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
