

SPECIMEN LABEL

Induce[®] pH

Low Foam Wetter/Spreader,
Buffering and Conditioning Adjuvant

*ACTIVE INGREDIENTS:

Proprietary blend of Alkyl Aryl Polyoxylkane Ethers, Alkyl Aryl	
Polyethoxyethanol Phosphates Free Fatty Acids.....	90.0%
Components ineffective as adjuvant or buffering agent.....	10.0%
TOTAL.....	100.0%

*All ingredients are accepted for use under CFR 40, 180.1001 (c)

KEEP OUT OF REACH OF CHILDREN

WARNING

LIQUID CAUSES EYE INJURY

Do not get in eyes. In case of contact with eyes,
wash for 15 minutes with plenty of water, then get medical attention.
See Inside Panel for Additional Precautionary Statements

HELENA CHEMICAL COMPANY
225 SCHILLING BOULEVARD, SUITE 300
COLLIERVILLE, TN 38017

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Formulated product causes eye irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors or spray mist. Wear protective eyewear (goggles, face shield or safety glasses.) In addition, follow all precautionary statements on the accompanying pesticide(s) label.

FIRST AID

IF SWALLOWED: Give a large amount of water to drink, make person vomit and immediately call a doctor.

IF IN EYES: Immediately flush eyes with clean water for at least 15 minutes, see a doctor.

IF INHALED: Move victim to fresh air; give artificial respiration if needed. See a doctor.

IF ON SKIN: Remove contaminated clothing and wash skin thoroughly with soap and water.

If there is contact made with the spray solution containing pesticides, also follow the "Statement of Practical Treatment/ First Aid" on the pesticide label.

STORAGE AND DISPOSAL

Combustible, do not store near heat or open flame.

Keep container tightly closed, do not allow water to introduced into the contents of the container. Do not contaminate water sources by cleaning of equipment or disposal of spray waste. Dispose of empty containers by triple rinsing with detergent solution or puncture and discard empty containers in a landfill in accordance with current local, state and federal regulations.

GENERAL INFORMATION

INDUCE[®] pH is a combination of low foam nonionic surfactants and buffering agents.

INDUCE[®] pH is designed to quickly wet and spread a more uniform spray deposit over leaf and stem surfaces. **INDUCE[®] pH** also contains a quality buffering and conditioning agent to modify the pH of spray mixes. **INDUCE[®] pH** is recommended for use with most pesticides which are to be used with wetter/spreader type adjuvants.

DIRECTIONS FOR USE

The addition of an adjuvant to some pesticide tank mix combinations may cause phytotoxicity to the foliage and/or fruit of susceptible crops. Prior to the addition of **INDUCE[®] pH** to spray tank mixes, the user or application advisor must have experience with the combination or must have conducted a phytotoxicity trial.

NOTE: Spray mixes of copper containing products, such as the fungicides containing cupric hydroxide, tribasic copper or copper oxychloride, should not be buffered below a pH of 5.0.

INDUCE[®] pH may be applied by ground, CDA, Aerial or Aquatic spray equipment. For most applications, use enough **INDUCE[®] pH** to allow for uniform wetting and deposition of the spray onto leaf surfaces without undue runoff.

To obtain an initial buffering effect, use a minimum of 2 pints of **INDUCE[®] pH**. Rates may be adjusted as water conditions vary.

Ground, Aerial, CDA: Use 2 - 4 pints per 100 gallons of spray.

Aquatic: Use 2 - 5 pints per 100 gallons of spray.

NOTE: The above use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher rates for optimum effect. Follow the pesticide label directions when this occurs.

MIXING

Fill spray tank one-half full with water and begin agitation. Add pesticides and/or fertilizers as directed by labeling or in the following sequence:

1. Dry flowables or water dispersible granules
2. Wettable powders
3. Flowables
4. Solutions
5. Emulsifiable concentrates

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or the seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
